#### DAWN HEARN INTERIOR DESIGN

Since 1993 Dawn Hearn has offered Austin-area clients a range of residential design services, from hourly consultation to remodel and spec-home advice. A certified True Color Expert and editorial adviser to *Symmetry* magazine, she's a Best of Houzz recipient and an ASID Design Excellence award winner. Her work has been featured in show houses and publications including *Southern Living* and *Urban Home*. 8711 Burnet Road, Ste. E-55, (512) 930-0250, [dawnhearn.com](http://dawnhearn.com)

#### DEBORAH KIRK INTERIORS

Accompanying her mother on antique-buying trips, Deborah Kirk grew up a gatherer. Today, she gathers information from clients to custom-design their homes—also expertly

procuring unique pieces that highlight their story. A Texan who trained in New York and worked with Austin's Whit Hanks, she provides a range of design advice, still specializing in finding remarkable objects and antiques. (512) 796-7147, [dkirkinteriors.com](http://dkirkinteriors.com)

#### ERIN WILLIAMSON DESIGN

How many interior designers are equally talented bloggers too? Erin Williamson is one. Her design talent is so sharp that her own home was recently published in Apartment Therapy's *Complete and Happy Home* book and three magazines. In addition, her blog, Design Crisis, is a must-read for those looking for some interior inspiration. (650) 248-5166, [erinwilliamsondesign.com](http://erinwilliamsondesign.com)

#### ETCH DESIGN GROUP

Jessica Nelson and Stephanie Lindsey, the two women behind Etch Design Group, follow a philosophy: "The best design always leaves a lasting impression." One of the newer firms on the local scene (Nelson and Lindsey have

15 years of collective design experience), Etch already has compiled an impressive portfolio, with a custom home in Barton Creek and an eclectic home in the Hill Country. (512) 568-3224, [etchdesigngroup.com](http://etchdesigngroup.com)

#### FUTURE DESIGN NOW

If you watched Season 7 of HGTV's *Design Star*, then you're already familiar with the talent of Future Design Now founder Kris Swift. Though he finished seventh in that show, this Canadian transplant showed his ability to deliver timeless designs. In addition to his design practice, Swift is the creative director at Jacoby's Restaurant & Mercantile and is working on two television concepts. Not bad for a Canadian, eh? 3304 E. Fifth St., Ste. A, (512) 565-4175, [futuredesignnow.com](http://futuredesignnow.com)
