

Coffee Table Talk

From seating to storage to even striking up conversations, these six coffee table selections serve as the center of attention

Jessica Nelson

PROVENCE OCCASIONAL TABLE
Nest Modern, \$1,988

“A hint of modern with a rustic reclaimed flair, this table is the perfect staple for any sitting area or conversational space. With its polished stainless steel frame and century-old Russian pine wood top, the piece will add a warm and eclectic element to any home. Pair two together for a large sitting area or tuck a few ottomans underneath for extra seating.”

Marla Bommarito-Crouch
The Bommarito Group

NOGUCHI COFFEE TABLE
DWR, starting at \$1,679

“This coffee table is a perfect example of form following function. It is a classic design from 1944 by Isamu Noguchi made up of two materials in pieces. The simplicity is that the base of the table is formed by two interlocking pieces of wood. This table is perfect in a home or commercial setting.”

Tamie Glass
Glass & Dangel

SUBEYBAJA COFFEE TABLE
Scott+Cooner, \$1,765

“This oak table with a lattice-like structure has timeless appeal and is incredibly versatile. It is adjustable to seven heights and even folds flat for storing or moving. Use it as a coffee table and easily convert it for working on your laptop or as an impromptu dining table.”
