

INTERIOR DESIGNERS

SXSW headquarters are two touted achievements. She believes homes and workspaces should “do more than look good. They should rebuild you . . . be the secret ingredient to your success.” chbspaces.com

COUNT & CASTLE INTERIOR DESIGN

Whether clients are going for warm and inviting, elegant and timeless, or rustic and bold, this firm helps them simplify the design process, tailoring the look to the lifestyle and prioritizing spending wisely. Designed with the idea that “home is where the heart is,” its work in new and existing residences has won numerous ASID awards in Texas since 2007. *1800 W. Sixth St., (512) 432-5046, countandcastle.com*

CRAVOTTA INTERIORS

Owner Mark Cravotta’s passion for design was realized in his years as an artist and jewelry designer. He founded Cravotta Interiors in 1996 and has been decorating homes for A-list celebrities, corporate suites of CEOs and luxury lofts for leaders of technology ever since. And if you need someone to draw up a piece of furniture, he can do that, too. *701 Brazos St., Ste. 300, (512) 499-0400, cravottainteriors.com*

DAWN HEARN INTERIOR DESIGN

Since 1993 Dawn Hearn has offered Austin-area clients a range of residential design services, from hourly consultation to remodel and spec-home advice. A certified True Color Expert and editorial adviser to *Symmetry* magazine, she’s a Best of Houzz recipient and an ASID Design Excellence award winner. Her work has been featured in show houses and publications including *Southern Living* and *Urban Home*. *8711 Burnet Road, Ste. E-55, (512) 930-0250, dawnhearn.com*

DÉCOR HOUSE

With 20 years’ combined interior design experience, Brooke Wilbratte and Meredith Lamme consciously bring something unique to the table for each client. They specialize in juxtaposing select objects to make “curated vignettes.” Still, “the design is always personalized,” Wilbratte says. “We work with all aesthetics and styles, and never repeat the same look.” *5000 Bee Cave Road, Ste. 102, decorhousedesign.com*

ERIN WILLIAMSON DESIGN

How many interior designers are equally talented bloggers? Erin Williamson is one. Her design talent is so sharp that her own home was published in *Apartment*

Therapy’s Complete and Happy Home book and three magazines. In addition, her blog, *Design Crisis*, is a must-read for those looking for some interior inspiration. *(650) 248-5166, erinwilliamsondesign.com*

ETCH DESIGN GROUP

Jessica Nelson and Stephanie Lindsey, the two women behind Etch Design Group, follow a philosophy: “The best design always leaves a lasting impression.” One of the newer firms on the local scene (Nelson and Lindsey have 15 years of collective design experience), Etch already has compiled an impressive portfolio, with a custom home in Barton Creek and an eclectic home in the Hill Country. *(512) 568-3224, etchdesigngroup.com*

Murphy Moon

FYI DESIGNS

Frederick Yandrisovitz’s full-service firm guides clients through the steps of the interior design process to prevent costly mistakes and get it right the first time. An accomplished designer with hands-on building and management skills, he also offers architectural coordination, engineering and construction/remodeling services. Works include retail, office and restaurant spaces, and residences. *8868 Research Blvd., Ste. 406, (512) 216-9482, fyidesignsllc.com*

GLASS AND DANGEL

While husband Uli Dangel heads the architecture side of the business, wife Tamie Glass leads the firm’s development of the interiors. Having spent years designing in England and Germany, Glass brings a European sensibility and an international perspective to the firm’s projects, several of which have earned awards from the local and state chapters of the ASID. *6210 Ledge Mountain Dr., (512) 529-9351, glass-dangel.com*

GREER INTERIOR DESIGN

New York and Chicago trained, Jennifer Greer Hartmann has 15 years’ experience in interior design; from downtown condos to casual lakefront, her boutique studio’s work is lauded for timeless style. With a staff well versed in architecture and art, she believes adherence to schedule and budget are just
